Support Milwaukee's jewel on Lake Michigan

Friends of Lakeshore State Park is an organization dedicated to promoting and supporting Lakeshore State Park for the entire community to enjoy.

Lakeshore State Park

This beautiful park is a peninsula situated in Lake Michigan off the shores of Summerfest and Discovery World. The Park is nearly surrounded by water and is connected to land north of the festival grounds via the beautiful Lakeshore State Park bridge. It is a unique urban oasis with recreational opportunities geared to the urban population. The 17-acre green space offers 20 boat docks for vessels up to 60 feet, a beach, canoe and kayak access, a lakeside trail and garden, and connection to the Hank Aaron and Oak Leaf State trails, completing a path from Lake Michigan to the banks of the Mississippi River.
