### Support Milwaukee's Jewel on Lake Michigan - Join the Friends of Lakeshore State Park

This beautiful peninsula park is situated in Lake Michigan off the shores of Summerfest and Discovery World. The Park is connected to land via the Lakeshore State Park bridge, and is a unique urban oasis with recreational opportunities geared to the urban population. The 17-acre green space offers 20 boat docks, a canoe and kayak beach, a fishing pier, eight acres of short grass prairie, a lakeside trail and rain garden and connection to the Hank Aaron and Oak Leaf state bike trails.
