The winner will receive \$50, several other festival items, and a feature on the Gathering Waters Festival web site after the event.

There are 20 rain barrels for this project that will be given on a first come, first serve basis. All participants will receive a free year's membership to the Friends of Lakeshore State Park.

The proceeds of the rain barrel sale will go to the FLSP to help support the festival and educational programming on Lakeshore State Park. The supplies utilized are tax deductible.

Rules:

- Use weather proof exterior or acrylic paint. A primer coating (spray Rustoluem for exterior that adheres to plastic) and sealer (Varathane varnish for outdoor use) is suggested. If time allows sanding the surface will make primer and paint adhere better.
- Create art that is true to your style - No profanity please
- Take a picture of your barrel and send the picture, your contact information and description of your artwork to kdonlevy@aol.com
- The rain barrel must be completed and delivered to the lobby of Discovery World, with your contact information attached, between **Monday June 6 and Thursday, June 10** or contact Kae at the number above for other arrangements
